March 29, 1962

Dear Vicki,

I've enjoyed having you in my classes and as one of my friends this year. Now has the teachers stood us (me anyway) all these years. No wonder the teachers are leaving next year. No H. Guess they're afraid they'll have us in one of their classes.

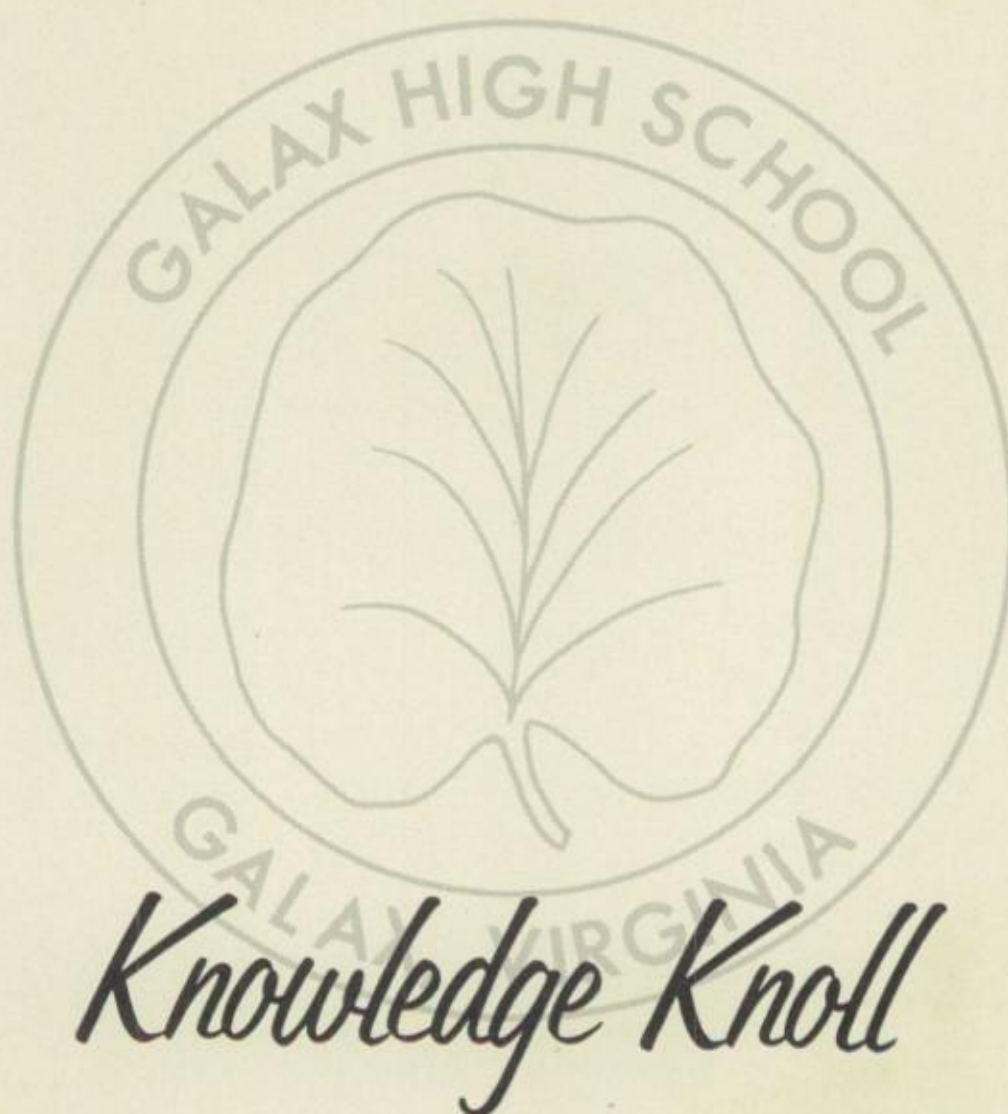

Hope you and Danny enjoy your many years together and love each other like I love you. I can't think of what I really wanted to write, so I'll just gossip. o.k.

Remember all the times in Study Hall last year, when we had to stand up in front of the class, and this year when Mrs. Dickens moved me one day and we passed notes all class period.

Well so long and best wishes to the Sweetest girl I ever have known.

P.S. Wonder what Carolyn is doing this period? No.

Love always,
Lorene Shaffer

ADVISORS

To endear to you the remembrances of another year happily spent at Galax High School, we bring to you the KNOWLEDGE KNOLL for 1962. May those who turn these pages in days to come reminisce with the thought in mind that time will pass, but that the precious memories contained within this book will linger always. So as graduating Seniors, we depart saying . . .

the Memories

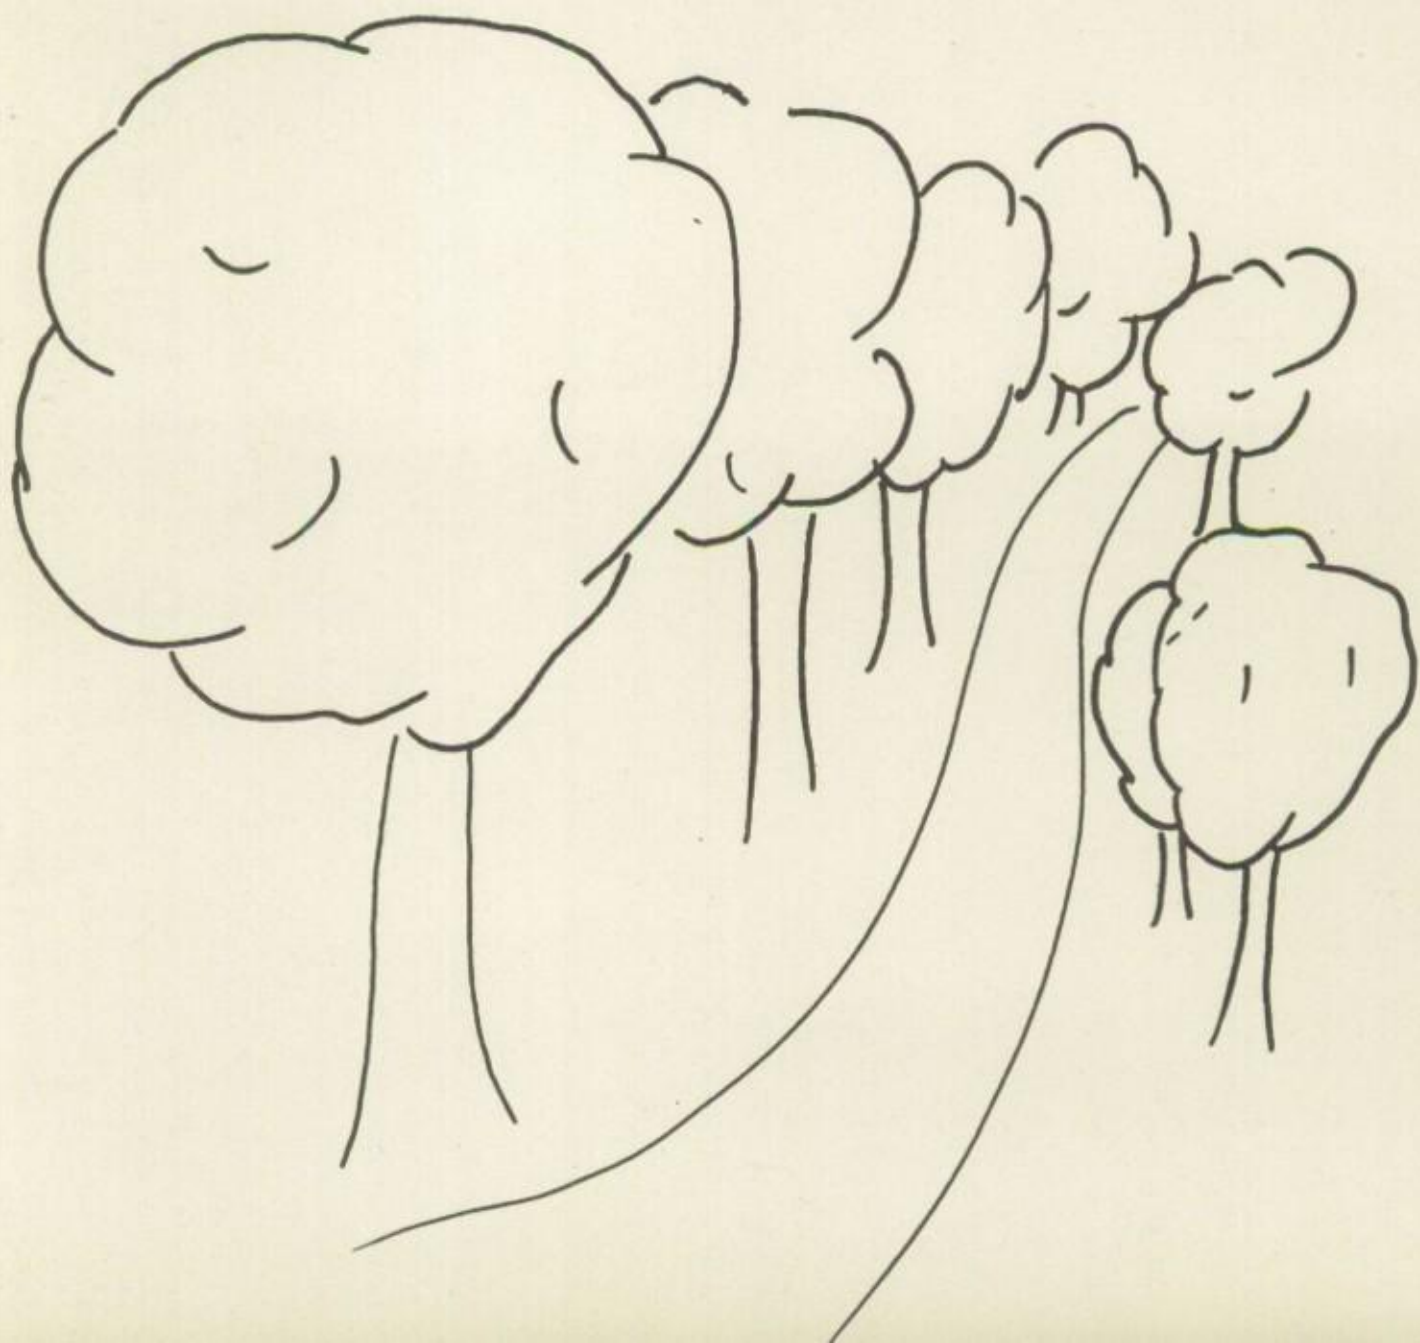

We, the departing Seniors, in gratitude and love, dedicate this 1962 Knowledge Knoll to . . .

YOU THE STUDENTS, who have walked with us, laughed with us, and shared our thoughts. Together we have glimpsed, with great longing in our souls, the persons that we want to be—and though in time our ways must part, in our hearts we shall always be a part of each other.

YOU THE FACULTY, who have given us first-hand knowledge, understanding when we most needed it, confidence when we least deserved it. You have inspired us to share with others our discoveries, have given us dignity and new insight, and now we face tomorrow, seeking to build our lives around the things we've learned.

. . . and . . .

TO OUR FUTURE . . . may it find us living in a way that is worthy of all we've known together.

. . . of guidance and understanding

Play it smart—avoid the lunch-hour rush!

Typical conversation in the halls during lunch, "Anybody have change for a quarter?"

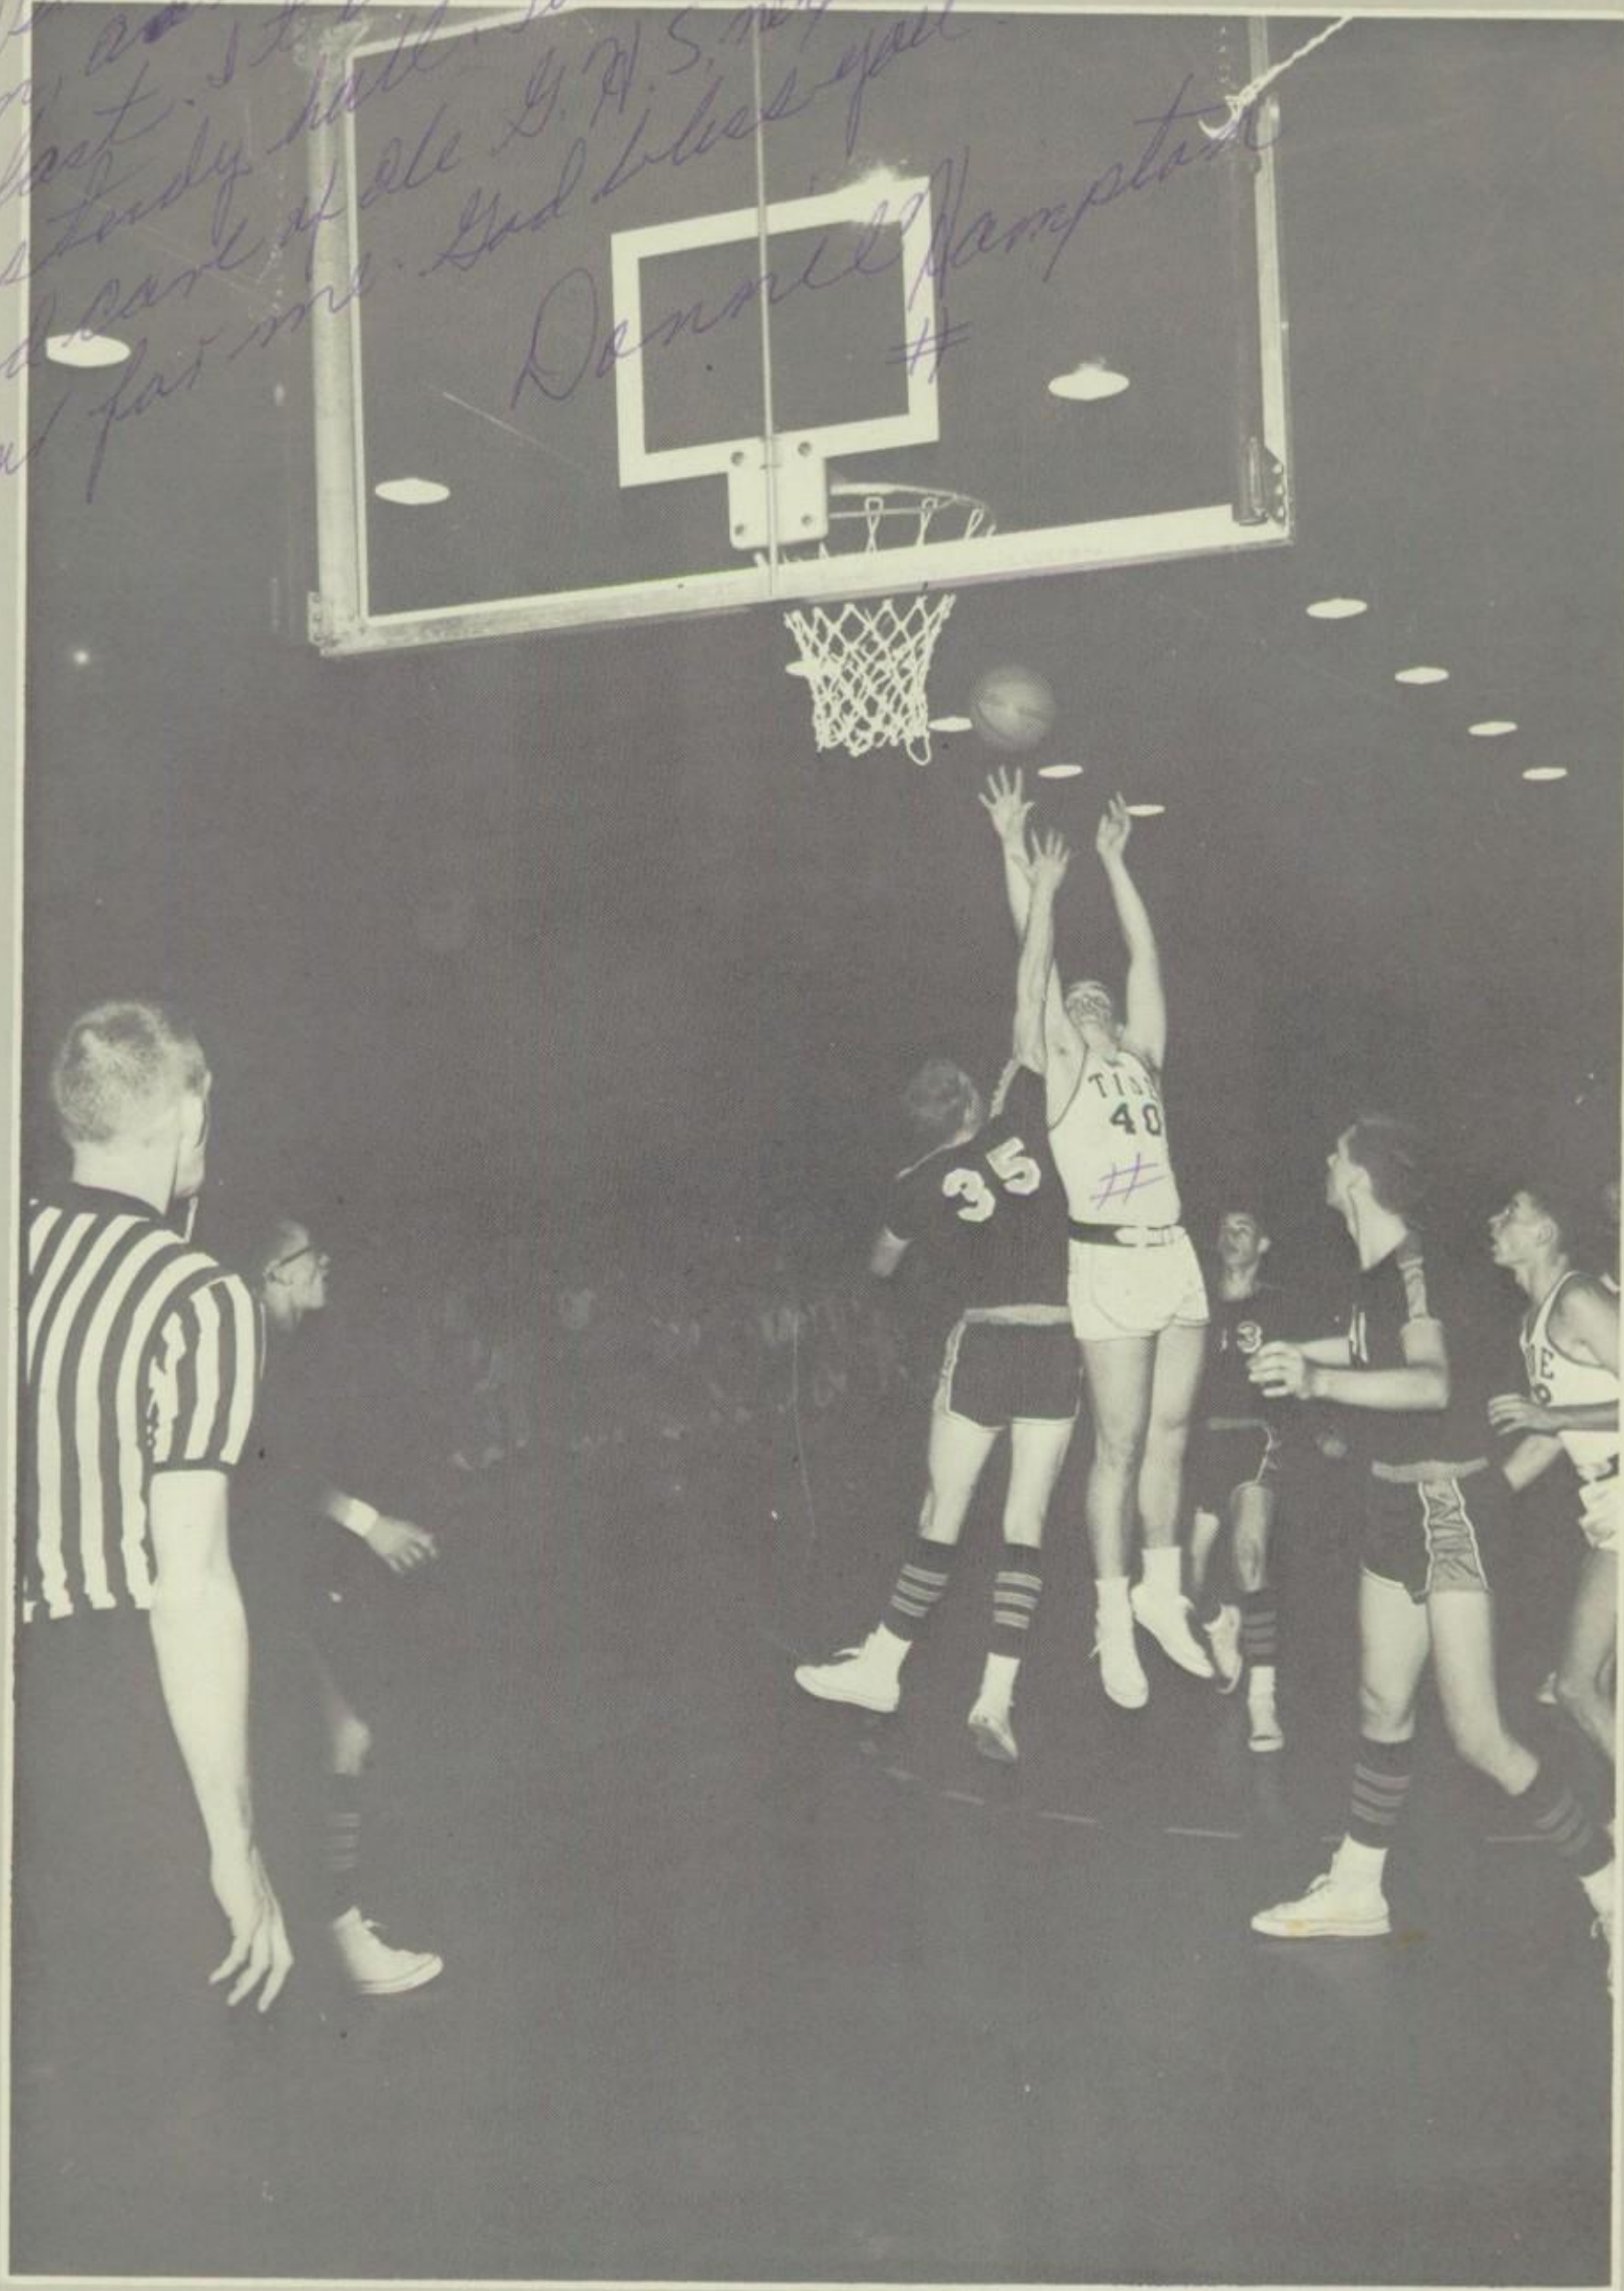

September 6 found many anxious Seniors, including Barbara Ballard and Richard Lineberry, flashing around new class rings.

Why not "hunt and peck," Mrs. Dickens?

Dickie,
 Well here
 I am, a senior
 at last. I've been nice
 in steady hall. Take
 good care of Ole G.H.S. next
 year for me. God bless you.

Homecoming Court

Despite rainy weather, this 1961 Homecoming was a very successful one. Many clubs entered floats in the parade sponsored by the SCA, and the Music Club won first prize. The Maroon Tide battled with the Pulaski Orioles in a 6-6 tie game. During half-time the Court was presented and the King and Queen crowned. At the dance following the game, the festivities were closed by the words "Heads up!" as showers of confetti floated down and made this wonderful week an enduring memory.

Attendance at Girls and Boys State at Virginia Polytechnic Institute is a distinct honor going to students from all over the state of Virginia. During the week, instruction and information is given in the affairs of government that will increase the student's usefulness as a future leader. Those rep-

resenting Galax High School this past summer were the following: Nora Musser, Susan Collins, Joan Duncan, Mary Ann Sutherland, Helen Whittington, Tom Morris, John Jones, Pat Patton, and Glenn Diamond.

Virginia Girls and Boys State

Most Valuable Football Player "Voice of Democracy" Winner

The award to the most valuable football player, chosen by his team-mates, goes to Tom Morris.

Because of the importance with which you regard our democratic way of life, we congratulate you, Kenneth Tomlinson.

Jean Duncan

One of the most coveted awards at G.H.S. is the Citizenship Award. The two seniors to whom it is given are chosen by the faculty on the basis of their contribution as a citizen to the development of the aims and objectives of Galax High School.

John Jones

Let's all be proud. . .

Our high school was very honored this year when Kenneth Tomlinson was elected state SCA Vice-president. He has been very active in the affairs of the state SCA, the Foreign Forum, SCA Workshop, and has spoken at several district meetings.

Our congratulations go to you "Spook!"

I bet everyone in the office would like to get rid of us for good.

Are you going to get married this year or next. I don't know whether to believe you or not when you say you are waiting until next year.

I learned how to park (the car) so you don't have to worry about C.B. being with me. Maybe if I ~~can~~ ever get the car we can go somewhere together.

Well I can't think of much to say so I guess I had better shut up. May God bless and keep you forever. May you also succeed in whatever you try to do.

Love always,
Carolyn Douglas

P.S. Always stay as sweet and friendly as you are now and everyone will love you (including me) ha! ha!

Dear Vicki, (man chère)

It has been another great year, and loads of fun. Especially in French II with Mrs. Edwards, I doubt if we ever learn to speak French with a French accent. Next year will be loads of fun in French III being a small class and all. In history (which is so boring) I don't see ^{how} we ever past. You are very sweet and I'm sure you will be a success in whatever you do. (Danny Martin) Invite me to your wedding. Next year will be Great Seniors and I'm looking forward to a great year. Take care.
